Mary's Page

Dear Parishioners,

We are coming to the end of the first year of our new preschool! How rewarding it has been to see the work of so many parishioners bear so much fruit. This has been a very successful endeavor, first and foremost as a ministry of evangelization. New families have joined our parish, children have been brought to the sacraments of the Church, and our parish life has become richer because of the involvement of preschool parents in the worship life and activities of our parish.

Financially speaking, the preschool has been not only self-supporting but it has helped the parish as a whole financially. Last year, we raised all of the funds needed to start-up the preschool. The generosity of our parishioners has continued. This year, in addition to tuition and fees that have more than covered operating costs, we received \$7,550 more in personal contributions to the preschool, in addition to \$2,850 that was given to begin our Grace Scholarship Fund for families in need of financial assistance. Our preschool will end this fiscal year very well, as we prepare to expand to a second classroom in the coming year.

There is no way to measure what the parish has received in the gifts that Mrs. Liz Lowrey has brought to us as our Preschool Director. We worked and prayed very hard, asking God to bring the right person to Mary Queen of Heaven. Liz has truly been a blessing and a joy. I want to thank her for all of her work and for every way that she shares herself and her faith with others, children and adults. I have invited Liz to share with you some of the preschool experiences of this first year. You will find below and on the following page what she and some of the parents want you to know.

Before I close, let me add a word of thanks, too, to all of those who have volunteered time and labor to improve our school building this year. My sincere thanks, too, to the members of the Finance Council and the Preschool Committee (which has now evolved into our first school board), who spent countless hours studying, praying, calculating, and planning for what has become a great gift to this parish. Thank you all from my heart.

Dr. Mary, Pastoral Life Coordinator

Preschool

From Mrs. Liz Lowrey, Mary Queen of Heaven Preschool Director

"Faith. That is what I had when signing up my daughter, Gabriella, for MQH's 1st year of Preschool. I am so happy our family took this leap of faith, because this preschool exceeded my expectations and provided my daughter with a wonderful preschool experience."

Lisa Ruggieri

What a year it has been! Thank you, Mary Queen of Heaven Parishioners and friends, for your vision, support, and dedication. We have been in school for 9 months and have grown together in various ways.

- Our faith and learning about The Father, The Son and The Holy Spirit are not isolated to single teaching sessions. These are integrated in our daily work through our interactions with each other, our commitment to our families, and our daily routines. We begin our day by thanking God for the day, no matter what the weather is or our temperament, we always say thank you and ask God to help us be the best that we can be by loving our neighbors as ourselves. We pray for others and ask God to help them.
- Our supplies enhance and support our learning environment. Large hollow blocks, solid unit blocks, wooden vehicles, old blueprints, empty paper towel tubes, and legos to help our children create structures that include buildings, roads, diving boards, zoos, a cross for Jesus during Holy Week and wherever the children's imaginations and creativity take them. These experiences help develop our future construction teams, architects, designers, plumbers, firefighters, engineers and catechists!
- The dramatic play center has included new "appliances", food, babies, clothing, even a Christmas tree! This center supports our children's nurturing and communication skills through "playing" house, taking care of "the baby", setting tables, preparing for dinner, building movie theaters, as well as developing conflict resolution through sharing, taking turns, and negotiating. These skills help foster loving parents, chefs, organizers, social workers, and lawyers!

Preschool (Continued)

- Hands-on learning provides our children with the opportunity to become familiar with letters and literacy, numbers and math, imagination, resourcefulness, ingenuity, sensory integration and independence through personal interaction. Water, sand, soil, cutting, gluing, decision making, play dough, shaving cream, paper, crayons, markers, pencils, and various games that augment and support cognitive development, fine motor control, and self-esteem. These tools help our children develop a talent for writing, sculpting, gardening, accounting, and teaching. With these interests our children become interested in archaeology, physical therapy, doctors, artists, finance officers, and teachers!
- We have fourth grade prayer buddies. We thank God for our food each day and help collect food to share with others who do not have as much as we do. We learn about God's love for us by acting out the birth of Jesus and hearing stories about the miracles Jesus performed. We cried when we heard about Jesus dying and celebrated in the New Life of Easter! We are becoming contributing members of the larger community of our church. We witness our faith in action every day. These encounters help our children grow to be centered on our Catholic faith; offering opportunities for our children to be involved in ministry through singing at church, feeding the poor, helping one another, social justice, and feeling the love of God each day!

Just as our children are growing, so is our school enrollment! We serve children ages 3-4 in our 2-day, 3-day, or 5-day program. Our hours are 8:45a.m. until 12:00 noon each day. We invite you to visit one of our Open Houses this summer (watch the bulletin for dates and times) or call **630-833-9500** to schedule a tour of our school. We are opening up a second classroom to meet the needs of our expanding enrollment for the 2008-2009 school year. We look forward to preparing a room and staff to welcome our children and their families. As our school grows, so does our parish. New families are joining and reaching out to our community at large. Look around you and see the new faces, feel the energy and new life. This is truly God at work through us! Let's continue to work together to strengthen and build on God's plan for us!

Some of our families share their thoughts about our school with you:

"The devotion to my child's needs is something I can't put a price on- that's what MQH preschool has given to me."

Debi Kogan

"We want to offer our great appreciation to our parish, Mary Queen of Heaven, for opening the Preschool this year. As the school was being created, we felt very connected in the process of developing the mission of the school, the curriculum, and the atmosphere. Throughout this school year, we continued to find the staff open to changes and additions to the program. Our son, Grant, has prospered at MQH Preschool, learning, playing, and praying. We knew that Grant was in the right place for preschool the day he came home singing, "My God is an Awesome God", with a huge smile on his face. We most heartfully recommend our Preschool and its staff, and encourage our friends to consider the program for their children."

Matthew & Margaret Fuchsen

"Thanks to two family moves within three years, we have experienced four different preschool programs and now kindergarten. What I think impresses us the most is that MQH has found the right balance -- engaging yet structured lessons, broad exposure to multiple subjects (religion, art, music, science, gym etc.), and fun just for fun's sake with all of the celebrations. We are really excited to have our son returning to Mary Queen's preschool next year."

Michele & Andy Bolton

"Mary Queen of Heaven Preschool has been a wonderful experience for our family. Throughout the year, our children have been very excited to attend each day. They love seeing their new friends, playing in the centers, playing in the large motor room, and learning about the Catholic faith. Playing games such as Wheel of Fortune (to learn letters), or building with their friends (to learn teamwork) as well as participating in the Christmas celebration are some of their favorite activities. They are excited each day to share with us their new learning experiences. Most importantly, their teacher has been extremely successful in integrating the learning aspects of preschool with the Catholic faith. We are excited to be joining the Mary Queen of Heaven Preschool family again next year, and we look forward to our youngest attending in the future."

Michelle & Mike Kamienski

"One day on the way to school my son Rowan asked me where Jesus lived and I told him in heaven with God. He quickly replied, "Wrong mom, he lives right there," as he pointed to the church at Mary Queen of Heaven. I could tell by the tone of his voice and the quickness of his response that I failed a pop quiz that I did not know I was taking. I chose to send Rowan to the preschool at Mary Queen of Heaven because I believed it was an environment for him to develop his social and cognitive skills – I can assure it has succeeded on that level. The big surprise for me has been that over this past year something was happening in his faith that I had not expected or even thought out a year ago when I registered him at Mary Queen. As I left soccer practice today Rowan was singing behind me, "I am a sunflower and I follow you my Lord." That sweet voice, with those sweet words, and a feeling in him that he is loved by God."

RELIGIOUS EDUCATION

RE Registrations

We will continue to take registrations over the summer. FYI – preschool and

Kindergarten classes always fill up quickly and enrollment is limited at those grade levels.

Don't get left out. Register for 08/09 RE year before summer vacation begins.

If you did not receive one or know someone who needs one, either call us at the RE office or download the Registration Form 2008-2009 from <http://www.maryqueen.org> and mail it to the Religious Education office.

Catechists Needed

We are blessed in the RE program by the generous outpouring of time and talent by the many, many people who volunteer to help as a catechist, aide, office helper, etc.

We are also most grateful. However, as always we are still in need of catechists at various grade levels at various session times. Right now it looks like our greatest needs are in the 3:15 session. We need an aide at the preschool level, 2 catechists and an aide in Kindergarten, 4 catechists in Gr. 3, and 2 in Gr. 4. We also need help in Grs. 2 & 6 at 5:15 and Grs. 6 & 7 at 7:00PM.

If you are a loving, welcoming, accepting, forgiving person of faith, you have the most important qualifications for being a catechist. You don't have to be a theologian, just someone who can help our children understand how the Gospel can be applied to their lives. Come share your Faith with the over 500 young people of our RE program. Call for more info. Our children depend on you to pass on our faith.

If you have any questions or need more information, please call Mary Ann Woods at the REO, 832-8962.

Christian Worship Commission

To pray for our sick is an important privilege of our parish family. Please call 630-279-5700 to have a name added to our list. A new listing will appear in bold face. When calling the parish office, please leave contact information and your relationship to the person. Names will remain on the prayer list for four weeks. Contact the parish office to renew the individual's name on our prayer list. We hope that you will pray for these persons every day.
